

Offers for Universities

- Curriculum, training manual, webinars and coaching guideline for trainers
- All training material available as free download (www.mindset-project.eu)

Co-funded by the
Erasmus+ Programme
of the European Union

TRAINING THE mindSET

Improving and Internationalizing Skills Trainings for
Doctoral Candidates

Develops a core curriculum in transferable skills and comprehensive train-the-trainer material for the competence development of SET PhD candidates at all European universities.

**You are in
charge now!**

- mindSET focuses on the development of particularly relevant competences, e.g. communication and presentation, project acquisition and funding, self- and project management, research and dissemination, teaching, leadership and entrepreneurial thinking.
- mindSET considers different competence profiles for potential career paths in- and outside academia.
- mindSET breaks new ground by supporting the education of doctoral candidates through coaching and competence assessment.
- mindSET integrates relevant actors to promote doctoral studies.
